About us

Asian Agro Industries, established in 1998, has grown into a reputable manufacturer of premium agrochemical products. Over the years, we have built a strong foundation based on quality, integrity, and customer satisfaction. Our extensive industry experience enables us to understand the real challenges faced by farmers and provide solutions that are both effective and practical. We continuously strive to improve our formulations and processes to deliver products that ensure crop protection, increased productivity, and long-term agricultural success.

Founder Message

Mr. Lekhraj Sharma
Founder & Proprietor
ASIAN AGRO INDUSTRIES

At ASIAN AGRO INDUSTRIES, our journey began in 1998 with a vision to deliver reliable and high-quality crop protection solutions. Built on trust, quality, and strong relationships, we have grown by understanding the real needs of farmers and adapting to modern agricultural practices. We believe agriculture is the backbone of our nation, and we remain committed to supporting it through effective, responsible, and innovative solutions. I sincerely thank our customers, partners, and team for their continued trust and support.
